

3<sup>rd</sup> February 2011

Dear Parents of Year 11 pupils,

**Re: Mathematics Revision Guides and Past Examination Papers**

To assist in the revision process, for your convenience and to prevent a lengthy search to numerous bookshops, the Maths department has asked the School Shop to order a series of Maths revision guides from the Coordination Group Publications, to be sold well below normal retail price. These are at a cost of £3.50 per book. CGP Workbooks at £3.50 each and answer booklets at £1.50 each are also available from the School Shop.

We will also be starting to hand out past examination papers to be used both in class and at home. All papers are accessible to students on the V.L.E. for printing out at home (*with permission granted by OCR*). Obviously, completed papers are an ideal source of revision. It must be stated, however, that many papers are over 20 pages long and so **to avoid costly home printing we can provide papers for 70p each or £7.00 for all papers**. Should you wish to purchase all past papers, please return the tear off slip with payment to the **Finance Office by Friday 11<sup>th</sup> February 2011**.

I wish to emphasise that pupils will still be able to use our papers in hard format without payment – however they would have to be returned unmarked immediately after use.

Yours sincerely,

Mr. F.G.D. Tozzi  
(Head of Mathematics)
