To all students in Year 10

Dear Student

Over the next two years you will be required to complete Controlled Assessments in some of your GCSE subjects, which will contribute to your final grade at the end of Year 11.

The attached notice is from JCQ, the official body which oversees external exams, and explains the rules surrounding Controlled Assessments. You should read it carefully and ensure that you understand its contents.

If you have any questions, you should speak to your teachers or this office as soon as possible.

Yours sincerely

Mr P. M^cGillivray
Exams Officer and Educational Visits Co-ordinator
