

**St George's School**  
**BUSINESS**  
**KS4 Curriculum**

<b>PRIOR KNOWLEDGE</b>	No prior learning or knowledge is required, although there is a quantitative skills requirement of basic calculations in a business context worth a minimum of 10% of the total qualification.
<b>COURSE DELIVERY &amp; STRUCTURE</b> <i>How the curriculum is delivered</i>	<p><b>Lessons:</b> In both Year 10 and 11, students have 5 Business lessons over the two -week timetable.</p> <p><b>Grouping:</b> Students are taught in mixed ability groups.</p> <p><b>Structure:</b> The curriculum is taught as a series of units. They are sequenced to cover the full GCSE specification and build students' knowledge and skills over time.</p> <p><b>Prep:</b> Students will normally receive two prep (homework) tasks per week. These will predominantly consist of consolidation tasks. 'End of unit' consolidation prep will also feature throughout.</p>
<b>QUALIFICATION</b> <i>Exam Board, aim and objectives</i>	<p>GCSE (9-1) Business - J204 OCR</p> <p>Qualification aims and objectives:</p> <ul style="list-style-type: none"><li>❖ Know and understand business concepts, business terminology, business objectives, the integrated nature of business activity and the impact of business on individuals and wider society</li><li>❖ Apply knowledge and understanding to contemporary business issues and to different types and sizes of business in local, national and global contexts</li><li>❖ Develop as enterprising individuals with the ability to think commercially and creatively to demonstrate business acumen, and draw on evidence to make informed business decisions and solve business problems</li><li>❖ Develop as effective and independent students, and as critical and reflective thinkers with enquiring minds</li><li>❖ Use an enquiring, critical approach to make informed judgements</li><li>❖ Investigate and analyse real business opportunities and issues to construct well-argued, well-evidenced, balanced and structured arguments, demonstrating their depth and breadth of understanding of business</li><li>❖ Develop and apply quantitative skills relevant to business, including using and interpreting data</li></ul>
<b>ASSESSMENT</b> <i>Internal monitoring and final assessment</i>	<p><b>Internal Assessment:</b></p> <p>Prep tasks will be monitored for completion and accuracy</p> <p>Formative feedback will be given for 'end of unit' prep tasks, consisting of data response questions.</p> <p>Unit 'check-in' assessments will provide summative feedback.</p> <p>Students will complete mock exams in Year 10 and Year 11</p> <p><b>Final assessment:</b></p> <p>2 equally-weighted written examination papers, each of which is 1 hour and 30 minutes long.</p> <p>Paper 1 relates to Business activity, Marketing, and People</p> <p>Paper 2 relates to Operations, Finance, and Influences on Business</p>
<b>BREADTH</b> <i>Opportunities, trips, wider reading, cultural</i>	<p>Designated enrichment and consolidation lessons throughout the course.</p> <p>Students can watch Ben Francis talk about the beginnings of Gymshark on YouTube, and follow up by reading Humble Beginnings blog, or read biography of Peter Jones, entrepreneur and 'dragon' on Dragon's Den.</p>

*capital*

Students should read BBC Companies News at least once a week

	<b>SUBJECT KNOWLEDGE</b> <i>Overview of topics</i>	<b>SKILLS &amp; STRATEGIES</b> <i>Use of knowledge</i>
