

The Resource Shop

We would like to warmly welcome you to your St. George's School Resource Shop, Est. in 1995. This is a friendly and approachable non-profit, one-stop school supplies shop.

Located next to the Dining Hall in the Monk foyer, we supply all of the art & photography needs for our ever expanding army of creative students, from the embossed art sketch books, to the paints, mountboards and darkroom paper they use.

We also cater for all those last minute requests for calculators, pens, stationary and miscellaneous items that often spring up over breakfast in your morning conversations or spares for exams!

Our sporting students are able to buy their lacrosse sticks, mouthguards, gloves & alongside footballs, basketballs, rugby balls and tennis balls by the hundreds!

We have endeavoured to stock all of those items that just make school life more fun!

**Students may visit our resource shop and
save £££££....**
